

Scout Badge Program Workshop

BEAR ELECTIVE ADVENTURE: Critter Care

Note: *Lion Country Safari's badge workshop will help your Scout group prepare for earning a badge. The following list will help you to understand what Lion Country Safari covers, and what the Scout and/or group will need to do to complete the badge requirements. All badge workshops must be arranged in advance.*

Completed at Lion Country Safari:

2. Learn more about your pet or a pet you would like to have. List three interesting facts that you learned about your pet.
3. Make a poster about your pet or a pet you would like to own. Share your poster with your den, pack, or family.
4. Do your best to train a pet to perform a trick or to follow a simple command, and explain how you trained it.
5. Tell three ways that animals can help people.
6. Tell what is meant by an animal being "rabid." Name some animals that could have rabies. Explain what you should do if you are near an animal that might be rabid.
7. Visit with a local veterinarian or animal shelter caretaker. Find out what types of animals he or she might see on a regular basis. Ask what type of education is needed to become a veterinarian or shelter caretaker. Why did he or she choose to pursue this career?

To be completed at home:

1. Care for a pet for two weeks. Make a list of tasks you did to take care of the pet. If you do not have a pet, research one that you would like to have and write about the care it needs.
