

Scout Badge Program Workshop

CADETTE Girl Scout: Animal Helpers

Note: *Lion Country Safari's badge workshop will help your Scout group prepare for earning a badge. The following list will help you to understand what Lion Country Safari covers in this workshop. This workshop will cover some, not all, of the requirements and we do not provide the patches for the workshop. All badge workshops must be arranged in advance and are subject to availability.*

- Understand the definition of domestication.
- Step 1: Explore the connection between humans and animals
 - Show how animals helped at key points in history
 - Pinpoint five moments when animals took a role in human history and think of what could have happened without their help
- Step 2: Find out how animals help keep people safe
 - Find out how animals help, what animals are best suited for this job, how they are trained, and what kind of educational background you would need for this career
- Step 3: Know how animals help people emotionally
 - Find out how caring for a pet affects people's emotional and mental health
- Step 4: Check out how animals help people with disabilities
 - Find out what animals are best suited for this job, how they are trained, and what kind of background you would need for this career.
 - Play a training game to learn about operant conditioning
- Step 5: Look at how animals might help us in the future
 - Talk to an animal expert at a zoo
 - Learn about three ways animals could help humans in the future
