

Scout Badge Program Workshop

SENIOR Girl Scout: Voice for Animals

Note: *Lion Country Safari's badge workshop will help your Scout group prepare for earning a badge. The following list will help you to understand what Lion Country Safari covers in this workshop. This workshop will cover some, not all, of the requirements and we do not provide the patches for the workshop. All badge workshops must be arranged in advance and are subject to availability.*

- Step 3: Explore animals in husbandry
 - Discuss how the Species Survival Plan helps to ensure genetic diversity of zoo animals and in turn helps wild animals.

- Step 4: Take a look at animals used for sports and entertainment
 - Interview people behind the scenes
 - We'll be taking a look into the work that goes into caring for the animals at the zoo.

- Step 5: Look into an animal issue
 - Debate a policy decision (zoos that aid in conservation vs. zoos that keep animals confined)
 - Seeing how zoos of the past viewed keeping animals and how they have changed in recent times.

- Touch on how the scouts can aid zoos in their conservation efforts.
