

Scout Badge Program Workshop

WEBELOS ELECTIVE ADVENTURE: Into the Woods

Note: *Lion Country Safari's badge workshop will help your Scout group prepare for earning a badge. The following list will help you to understand what Lion Country Safari covers, and what the Scout and/or group will need to do to complete the badge requirements. All badge workshops must be arranged in advance.*

Completed at Lion Country Safari:

1. Identify two different groups of trees and the parts of a tree.
2. Identify six trees common to the area where you live. Tell whether they are native to your area. Tell how both wildlife and humans use them.
3. Identify six plants common to the area where you live. Tell which animals use them and for what purpose.
4. Visit a nature center, nursery, tree farm, or park, and speak with someone knowledgeable about trees and plants that are native to your area. Explain how plants and trees are important to our ecosystem and how they improve our environment.
5. Develop a plant to care for and plant at least one plant or tree, either indoors in a pot or outdoors.
6. With your den, take a walk and identify useful things made from wood.
7. Explain how the growth rings of a tree trunk tell its life story. Describe different types of tree bark and explain what the bark does for the tree.

To be completed at home:

5. Plant at least one plant or tree. Tell how this plant or tree helps the environment in which it is planted and what the plant or tree will be used for.
