

Scout Badge Program Workshop

TIGER ADVENTURE: Tigers in the Wild

Note: Lion Country Safari's badge workshop will help your Scout group prepare for earning a badge. The following list will help you to understand what Lion Country Safari covers, and what the Scout and/or group will need to do to complete the badge requirements. All badge workshops must be arranged in advance.

Completed at Lion Country Safari:

1. With your parent, guardian, or other caring adult, name and collect the Cub Scout Six Essentials you need for a hike. Tell your leader what you would need to add to your list to prepare for rain.
2. Go for a short hike with your den or family, and carry your own gear. Show you know how to get ready for this hike.
3. A. Listen while your leader reads the Outdoor Code. Talk about how you can be clean in your outdoor manners.
B. Listen while your leader reads the Leave No Trace Principles for Kids. Discuss why you should "Trash Your Trash."
4. While on the hike, find three different kinds of plants, animals, or signs that animals have been on the trail. List what you saw in your Tiger handbook.
6. Find two different trees and two different types of plants that grow in your area. Write their names in your Tiger handbook.
7. Visit a nature center, zoo, or another outside place with your family or den. Learn more about two animals, and write down two interesting things about them in your Tiger handbook.

To be completed on your own:

- 3 C. Apply the Outdoor Code and Leave No Trace Principles for Kids on your Tiger den and pack outings. After one outing, share what you did to demonstrate the principles you discussed.
5. Participate in an outdoor pack meeting or pack campout campfire. Sing a song or act out a skit with your Tiger den as part of the program.
